June 2014

Dear Friends in Christ,

Labrador is a remote, obscure, spiritually dark corner of Canada with relatively few people compared to the great cities of Canada. But, the people of Labrador cannot be ignored! Too long they have waited for the light of God's Word. Too long they have waited for someone to tell them about the truth of the Gospel and give them answers and solutions for their problems. "The harvest truly is great, but the labourers are few: pray ye therefore the Lord of the harvest, that He would send forth labourers into his harvest."

Since our last prayer letter, we have presented our burden for Labrador in four churches here in Virginia and one church in Brunswick, Georgia. We also spent a week at BIMI mission headquarters in Tennessee for candidate school. At BIMI, we sat in classes and learned some very beneficial things to help us during our deputation ministry. We also got to meet some other missionary candidates who are also preparing to take the Gospel to other areas of the world.

We have been heavily involved teaching in the Christian school at our sending church, and we have been having meetings part-time since January. Now that school is out, we are finally able to be on deputation full-time! We have been looking forward for months to this time when we are free from other obligations and can fully focus on raising our support and getting to the field as quickly as possible.

On Sunday we will be in another church here in King George, Virginia, and then we head up to Illinois for about two weeks, and then over to Maryland. Please pray for safety as we travel many miles, and pray for Vera to enjoy all the time in her car seat! Pray also for wisdom as we continue to schedule meetings for the rest of the year and even into next spring. We are excited to see how God will use us as we present our burden for Labrador to many churches! Thank you all for your prayers and support! You are a great blessing to us!

For the Gospel and His glory,

Nate, Christy, and Vera Minion
