Dear Friends in Christ,

We are very thankful for two more churches who partnered with us this month to reach Labrador with the Gospel! We would like to thank all of you for your prayers and support. I know that there will be people in Labrador who will trust Christ as a direct result of your prayers and support. Without your help, many people there would not hear the Gospel.

The Lord has blessed us with a number of meetings in Illinois and Maryland in the last few weeks. Each meeting has been a great blessing to us, and we have been able to meet some wonderful servants of the Lord. We were also able to visit with family in Indiana and Illinois while we were traveling. It was a blessing for Vera to spend some time with her grandparents because they live 16 hours away and don't get to see her very often.

We were able to help with a VBS for two days in Frederick, MD. We had several opportunities to challenge the children about missions and tell them about Labrador. It was a blessing to see children that were excited about serving the Lord. During the closing program, I was able to preach a short Gospel message to ninety kids and many parents, including some unsaved parents. On Saturday, one of the little girls came back and talked with the pastor and prayed to trust Christ! On Sunday, we were able to present our burden for Labrador to the congregation.

Please pray for our future co-workers, Darren and Amanda Dinsmore as they are laboring in Labrador. Pray that they would have many opportunities to share the Gospel and pray for wisdom as they deal one-on-one with several specific people.

Pray for us also as we are gearing up for a very busy schedule of meetings lasting from now until the end of November. In August, we will be in several churches all over in Virginia, and at the end of the month, we head down to Tennessee for a week. Please pray also that many of these churches would be able to hold the ropes for us as we prepare to take the light of the Gospel to Labrador!

For the Gospel and His glory,
