Dear Friends in Christ,

Sheshatshiu is a small native Innu community about 30 minutes away from Goose Bay. Approximately 2000 Innu live in this village. Every month there is at least one suicide and several attempted suicides. There is a shaman there, and more of the Innu people in Sheshatshiu are turning back to shamanism again. The Innu desperately need the Gospel!

One of our goals when we move to Labrador is to start taking Innu language classes at the local community college so we can begin working with the Innu people. The young people know some English, but the older people do not know very much English at all. Our desire is to shine the light of the Gospel into the darkened hearts of the Innu people.

God has done some amazing things for us in the last month. Six new churches have partnered with us to reach Labrador for Christ! We moved from 20% of our needed support level up to 28%! We praise God for His provision and blessing in our lives!

In the last several weeks, we have had meetings everywhere from Pennsylvania to Washington DC, to Texas, and back to Virginia! We are thankful for God giving us safety over many miles driven in the last month.

Please pray for us as we continue to travel and present our ministry to many churches. On Wednesday, we will be in Maryland and then we will be back in Virginia for a few days. On Saturday, we drive up to Toronto, where we will be in one conference and six additional meetings! We are excited to see what God will do as we continue to follow His will for our lives.

For the Gospel and His glory,

Nate, Christy, and Vera Minion
