Dear Fellow Laborers in the Gospel,

The month of April has just flown by! We were able to spend the week of Easter at home. After Easter, we had several meetings in Ohio and two conferences in Virginia. The Lord has provided us with one more supporting church this month. We praise the Lord for each and every church and individual that supports and prays for us.

Please pray for one of our supporting churches in Hampton, VA. Their pastor passed away unexpectedly last week. Our prayer is that the Lord would heal their hearts and help them as they suddenly need to look for a new pastor.

Our family would like to announce that we will be expecting another "little Minion" in November. So far Christy and the baby have had pretty good health. Please pray that they will both stay healthy as we travel. The Lord is good, and we praise Him for this wonderful blessing!

At the end of this month we will travel to the BIMI headquarters in Chattanooga, TN for our second session of candidate school. We are looking forward to learning many beneficial things during that week. We will have a chance to fellowship with other missionaries who are on deputation, as well as with our field director and the other BIMI directors and staff.

Prayer requests:

- \* Churches to partner with us to reach Labrador
- \* A supporting church that just lost their pastor
- \* Safety and good health for Christy and the new baby
- \* God to provide the rest of the funds needed for our Labrador trip in August

For the Gospel and His glory,

*Nate, Christy, and Vera Minion*
