Dear Fellow Laborers in the Gospel,

We are excited about visiting Labrador again in a few days! We will be leaving for Labrador on August 15th, and returning on August 24th. We covet your prayers for us while we are in Labrador. We have a great opportunity to help the Dinsmores, our future coworkers, put on a Vacation Bible School. Please pray specifically that we would have a good number of kids to come to the VBS, and that several of them would trust Christ as Savior. Pray also that we would have opportunities to present the Gospel to the parents as well.

While we are in Labrador, we also plan to spend some time looking at the housing options there to get a better idea of what is available. Please pray that we would have wisdom and the Lord's guidance as we look into this and several other things as well.

This past month we have had meetings in New Jersey, Connecticut, Virginia, Florida, and Georgia. We praise God for several new supporting churches, bringing our support level to 67%.

August will be a little slower with fewer scheduled meetings. We are thankful to be home for a few days here and there between meetings and get a short break from all the traveling. Christy has been able to catch up on some doctors visits and get some things ready for the new baby. We praise the Lord for a new baby girl with which He has blessed us. The due date is November 14th! Please pray that this last trimester will go smoothly, and that Christy and the baby will continue to be healthy.

We are looking forward to a busy schedule of presenting our ministry in a number of missions conferences and meetings over the next several months. Please pray that God would see fit to provide the rest of our support quickly. We thank God for each of our supporters and prayer partners. You mean much to us, and we pray that God will bless each of you for your involvement in helping us reach Labrador for Christ!

For the Gospel and His glory,

Nate, Christy, and Vera Minion
