February 2015

Dear Fellow Laborers in the Gospel,

We praise God for a blessed start to a new year. At our very first meeting of this year, two people trusted Christ as Savior! After I preached that morning, the pastor was able to lead an older man and his wife to the Lord. We have also seen God working in the hearts of several young people about full-time ministry. We praise God for using us in such a wonderful way!

We started off our travels this past month with three meetings in Virginia and then we headed down to Texas. We thank God for safety on the roads as we traveled many miles. We still have several more meetings to attend in Texas before we head back to Virginia next week.

One specific blessing occurred on a Sunday morning a few weeks ago. We visited a church where we did not have a scheduled meeting, and the pastor immediately scheduled us to come back the following Sunday, and the church took us on for support! God has also seen fit to allow several other churches to help us in our effort to take the Gospel to Labrador. We are currently at 44% of our needed support! We are almost halfway to Labrador!

This month has been full of activity for us. We were able to visit one of Christy's aunts, whom she has not seen in 17 years. We all had a wonderful time of fellowship. We also have had a bit of sickness hit us during the last few days.

We have a very specific prayer request this month. I recently received a letter summoning me to serve jury duty back in Virginia. If this occurs, it could potentially conflict with several meetings in March. Please pray that either I could somehow be excused from it, or that it would fall between our meetings.

For the Gospel and His glory,

Nate, Christy, and Vera Minion
