Dear Fellow Laborers in the Gospel,

Many things have transpired since our last letter in August. Two weeks ago, we had a special service and our attendance was at an all-time high of 25 people! We praise God for sending us many new visitors recently. One family has come for several weeks in a row, and another woman has come back several times also. She has brought her sisters and several other people to church at various times. We are so excited to see what God is doing here at Happy Valley Baptist Church!

At the end of August, we held a day camp for junior age children. A total of 11 children attended. We had a great time with activities, crafts, and Bible lessons. None of them made a profession of faith, but they did hear the Gospel. It was a blessing that Kelli Reese, fellow BIMI missionary serving in Newfoundland, was able to come up and help us with the day camp.

Also in August, God unexpectedly provided some free pews for the church. We simply had to go dismantle them, cut them to the proper length to fit our building, and reassemble them. From brush clearing, to reinforcing floor joists, to working on the shed roof, we are continually busy with the ongoing work on the church property. Lord willing, we will be putting up our permanent sign next week. This will greatly increase our visibility as a church in the community. Also, within the next few weeks, we will be installing carpet in the sanctuary. We praise God for His provision for the physical needs of the ministry here. Please continue to pray that God would provide the funds needed for the other necessary projects we have as we turn this old building into a church.

We just finished distributing church flyers to every house in town and began distributing them in another town close by as well. We are praying that God will use these flyers to interest people in the church. Please pray for us as we are also planning to start some additional ministries soon.

Autumn is in full swing here. Most of the leaves have already fallen, and we have seen just a bit of light snow twice. The days are getting shorter and cooler. The moose and bears have been wandering around the church property. We are always finding fresh moose tracks. The Dinsmores, our coworkers, have seen several moose walk across the field a few times.

Our housing situation may be changing soon. Our landlord is selling the house we rent at the end of the month. Pray that God would provide the right housing situation, whether we can continue renting here, or have to find some other place to live. As always, please continue to pray that we would see souls saved and lives changed for the glory of God.

For the Gospel and His glory,

Nate, Christy, Vera, and Emma Minion
