Dear Fellow Laborers in the Gospel,

These last few months have just flown by with many ministry opportunities. Shortly after our last prayer letter, we held our teen rally. We had a good number of young people gathered for two days for preaching and activities. God worked in the hearts and lives of many of the young people, and we praise the Lord for His blessing.

Last week, I had an interesting opportunity. I was asked to conduct a memorial service at a local cemetery. This service was for family and friends of everyone who was buried there. When we arrived at the cemetery for the service, we were quite surprised at the number of people who were there. Probably 400 people had gathered! Several people from our church came to provide music for the service. I preached a short message about God's comfort and preparing for eternity. We praise the Lord for this wonderful opportunity to preach the Gospel, and trust that God will use His Word to bring some of these folks to Christ!

We are in the midst of preparing for our Vacation Bible School which starts tonight. We are excited about the opportunity to impact the lives of young children for Christ! Please pray specifically that we would see several young people saved.

Shortly after our VBS, we will attend family and teen camp with folks from our church, and from several other churches in Newfoundland. We look forward to this time of fellowship, and trust that God will do a work in hearts during that week.

Please continue to pray for our immigration paperwork to be approved. All our information is in the hands of the government, and we are waiting for a response from them. Thank you so much for your prayers and support as we work here in Newfoundland.
