Dear Fellow Laborers in the Gospel,

Just like everywhere else, things have been strange here for the last few months because of the shutdowns. We had to close down our regular church services in March. Thankfully we had already been live-streaming our services, so we were able to transition our services to live-streaming only without too much difficulty.

We have only been able to resume limited in-person services in the last three weeks. It has been a great blessing to gather together again. It was interesting to see that our live-stream reached many people in our community and in other places who are not part of our church. Some positive contacts have been made, and we hope that these people will continue in their interest in spiritual things. We praise the Lord for one teen girl who trusted Christ after one of the services a few weeks ago! We trust that God will continue to use His Word in the hearts of those who are viewing our services via the internet.

In May, the Lord opened up a new opportunity of ministry for us. In addition to our current responsibilities, we are also now helping a small mission work an hour away in another town. The missionary pastor there, who was a good friend of ours, recently moved back to another province to pastor his home church. This small group of believers asked us to help them through this time of transition. We are excited to see what the Lord will do in this town of Carbonear.

Please pray for wisdom and strength as we work in both places. Pray that God would continue to use these difficult times in our world to draw people to Christ. Please continue to pray also for our immigration status. We are trying to get our permanent residency and are waiting for the government to process our papers. Please pray that this process would go smoothly. Please also continue to pray that God would use us to reach people with the Gospel.

Thank you so much for your faithful prayers and support and care for us. I trust that God will bless you for your faithfulness as you continue to serve the Lord during these difficult times! God bless!
